

## **Jazz : Agape**

Autumn leaves  
All of me  
Fly me to the moon  
Take the A-Train  
Desafinado  
Exactly like you  
God bless the child  
All the things you are  
If I aint got you  
I know you know  
Lullaby of birdland  
Wave  
Moondance  
Mercy mercy  
Old devil moon  
It dont mean a thing  
Satin Doll  
After you've gone  
As time goes by  
Round Midnight  
Come rain or come shine  
The lady is a tramp  
Night and day  
Like someone in love  
I fall in love too easily  
On the sunny side of the street  
Someone to watch over me  
Stella by starlight  
There will never be another you  
You'd be so nice to come home to  
Do nothing til you hear from me  
Dont fence me in  
I cant give you anything but love  
When I fall in love  
Birdland  
I can't get started  
Blue moon  
Detour ahead  
I get a kick out of you  
Love for sale

I got rhythm  
My funny valentine  
Over the rainbow  
Watermelon man  
Sophisticated lady  
Summertime  
Take 5  
Peel me a grape  
They can't take that away from me  
This masquerade  
Misty  
Well you needn't  
Almost like being in love  
Falling in love with love  
Georgia on my mind  
Everlasting love  
What a difference a day made  
Good morning heartache  
Devil may care  
Looking good  
In the wee small hours of the morning  
Blame it on my youth  
All at sea  
Blackbird  
Lover you should've come over  
How insensitive  
Fronting  
Goodbye pork pie hat  
Moaning  
A thousand things Joyspring  
My foolish heart  
Precious  
I know you know
